

MARTHA NATHALIE CORTEZ CHÁVEZ

FRONT END DEVELOPER + ANTHROPOLOGIST

Font end developer, anthropologist and musician, besides literature, I am passionate about learning new things. What I like most about web programming is to develop the functionality of the web-app and think of the best way to facilitate the user's interaction with the page. In the future I see myself learning back end, so I am interested in working in a place that allows me to continue increasing my knowledge.
